## One Source Networks #1 On Austin Business Journal's Fast 50 List

List recognizes fastest growing private companies in Austin, Texas

- One Source Networks named #1 on Austin Business Journal's Fast 50 list
- Austin Business Journal's Fast 50 list ranks Austin-area companies based on compounded annual average sales growth over the course of three years
- OSN is an industry leader in managed network and cloud-based Voice over IP (VoIP) and multimedia services

**SAN ANTONIO, TX. October 17, 2011--** [One Source Networks \(OSN\)](#), a managed voice and data solutions provider for the large enterprise market, announces it has achieved first place on the Austin Business Journal's Fast 50 list which recognizes the fastest growing private companies in Central Texas. The awards rank Austin-area companies based on compounded annual average sales growth over the course of three years.

One Source Networks provides managed voice and data network solutions by leveraging its network together with relationships spanning across 150 global network providers to create custom solutions for corporate network requirements. Leveraging its cloud-based Voice over IP (VoIP) and multimedia services, OSN offers professionally engineered solutions to meet business' communications needs. OSN partners with its customers to design holistic, converged networks that offer flexibility and reliability that anticipate the needs of tomorrow, while also serving the needs of today.

"As an active member of the Austin community, we are honored to receive this award," states Ernest Cunningham, CEO of One Source Networks. "Austin Business Journal's Fast 50 list highlights the top companies throughout the area and we are pleased to be featured among this list of industry leaders. Austin is a dynamic and growing market and provides the perfect setting for OSN to expand it business."
